FAMILY FOCUS

Good morning, and welcome to Sunset! As we prepare to worship, let's reflect on this heavenly vision in [Revelation 4:11](#) (CSB): "Our Lord and God, you are worthy to receive glory and honor and power, because you have created all things, and by your will they exist and were created."

Here are three things to reflect on from this passage: 1) God is sovereign over all creation. From the tiniest insect to the vastness of trillions of galaxies, He created and continually sustains everything. 2) Everything exists by God's intentional design. Nothing is accidental—our lives and everything in them have meaning and purpose because of Him. 3) God is worthy of all the worship we can possibly give him. The sooner we understand that our lives are to be a continual act of worship to God, the more joy and peace we will have day to day.

This is the God we are worshipping today! He is so good and powerful, amen?

I love you all,
 Phillip
