FAMILY FOCUS

Good morning, and welcome to Sunset! Let these words of King David call you to worship today: "I waited patiently for the Lord, and he turned to me and heard my cry for help. He brought me up from a desolate pit, out of the muddy clay, and set my feet on a rock, making my steps secure" (*Psalm 40:1-2, CSB*).

Today's sermon is part 3 of 4, where we discuss the characteristics of disciples of Jesus. In week one, we talked about how disciples die daily to their sinful desires, comforts, and selfish plans. In week two, we discussed how disciples increasingly become like Jesus. Today, we will consider how disciples are fully invested in the life of the church. The passage we will examine is from *1 Corinthians 12*, where Paul uses the metaphor of a human body to describe a disciple's investment in the church. The human body has many diverse parts, but these parts are joined together by God himself so that the body as a whole would flourish. The church is very much the same way. It is full of very different people with different backgrounds and different gifts, but God has joined us together for the flourishing of His body as a whole. I pray our hearts receive God's Word this morning!

I love you all,
 Phillip
