FAMILY FOCUS

Good morning, and welcome to Sunset! **Romans 3:23-24** (CSB) says, "For all have sinned and fall short of the glory of God. They are justified freely by his grace through the redemption that is in Christ Jesus." May our worship today reflect this free, abundant grace that God has given to us!

I am writing this article on the Friday morning after Helene made landfall as a category 4 hurricane. 140 mph winds and a massive storm surge killed several people and left millions without power. Helene was the largest hurricane ever recorded to hit Florida's Big Bend region. One of our Sunset members, Samantha Brown, posted an insightful reflection on Facebook about how people were, or weren't, preparing for the storm and how this serves as an illustration as we prepare for eternity. Samantha wrote about how, as the hurricane's strength was becoming more evident, people began praying, preparing for impact, and diligently looking for data on what the storm would be like. She also mentioned how frustrating it was when people refused the evacuation warnings and ended up suffering the consequences. Samantha made the point that if we really believe that Jesus will come again in judgment, then we should have the same diligence in praying, preparing, and spreading the word about how people can be saved. May we live our lives in light of the eternity to come!

I love you all,
Phillip
